

COOK COUNTY SHERIFF THOMAS J. DART PRESCRIPTION DRUG TAKE BACK PROGRAM

THIS RECEPTACLE IS FOR PHARMACEUTICAL TAKE-BACK MATERIALS ONLY

- ✓ NO LIQUID PHARMACEUTICAL DRUGS
- ✓ NO LOOSE PHARMACEUTICALS
- ✓ NO FOOD OR OTHER WASTE
- ✓ NO LOITERING AROUND THIS CONTAINER

Water is a precious natural resource. Yet, every day our drinking water is being contaminated with prescription drugs—dumped down drains, toilets and in garbage.

The Prescription Drug Take Back Program of the Cook County Sheriff's Office and this Collection Receptacle were made possible, in part, by funding provided by the Metropolitan Water Reclamation District of Greater Chicago.

The Hodgkins Police Department is pleased to announce that we are a participant of the
Cook County Sheriff's Prescription Drug Take Back Program.

If you have old prescriptions that are need of disposal , you can bring them to the Hodgkins Police Department. In our lobby is a receptacle that you can drop the medications into. Please leave the medication in the prescription bottle. You cannot drop loose pills into the receptacle. This may be done during normal business hours of 8:00 a.m. to 8:00 p.m. Monday thru Friday.

NO LIQUIDS

If you would like further information ,please call (708) 352-4623
