**Report from Village Engineer, Jim Cainkar**

No Report.

Mr. Struve questioned Mr. Cainkar about storm sewer issues that we had last year. Mr. Cainkar explained this is still on the drawing board and is a project that would cost approximately $800,000- $1 million for the project. There are pockets of projects being worked on and this is not an emergency. It does need to be looked into in the future as the systems are over 50 years old

**Report from Village Attorney, John O'Connell**

Mr. O'Connell reported on February 15, 2017 there was a trial on the UPS disconnect from Willow Springs. The opinion will not be finalized until June.
**Report from Chief of Police, Ernest Millsap**

Chief Millsap reported on February 15, 2017 he and Sgt. Miller spoke to the Aging Well Citizens Police Academy about a variety of topics. The group is due to graduate on April 19, 2017.

On March 4, 2017 members of the Hodgkins E.S.D.A. assisted Countryside with the St. Patrick’s Day parade. A thank you letter was received from Countryside.

Chief Millsap thanked everyone for the support he and his family received after the passing of his father.

**Report from Building Inspector, Tim Kovel**

Mr. Kovel reported on March 10, 2017 he and Joe Lyons issued a final Certificate of Occupancy for 6140 River Road.

Walmart is doing a general remodel, which is going to cost approximately $1,100,000.00.

**Report from Code/Life Safety Officer, Dan Tholotowsky**

Mr. Tholotowsky reported all utilities have been disconnected at 6030 Lenzi Avenue. It will be demolished in about two weeks. The Fire Department has been using this building for training. 6022 Lenzi Avenue will be the next building to be demolished.

Mr. Tholotowsky and has been checking into vacant parcels and properties and marking them with red stickers. These cannot be occupied until inspected by the Village.
