A notice was published in the December 22, 2016, edition of the Des Plaines Valley News and the budget has been available to review at the Village for any interested parties. The budget represents the end product of months of diligent work by the Department Heads, Finance Office and the Board of Trustees. It represents the ordinance form that has already been approved by the Village Board. For 2017 the Villages Appropriation Budget is \$12,257,886.00, which is a 2.63% increase for \$313,666.00 from the prior year. Mr. Lightfoot asked if there were any questions from either the Board or audience and there were no questions.
